Peace under his leadership

Chong Sheau Huey

OUR beloved Prime Minister Datuk Seri Dr Mahathir Mohamad will be stepping down on Oct 31 after 22 years in office.

Under his leadership, Malaysia has transformed into a successful industrialised country.

During his tenure as Prime Minister, every race here lives in peace and harmony.

I am studying in a local university. I am sure I have this opportunity to pursue my tertiary education in a comfortable environment because of Dr Mahathir and his colleagues, who have provided us with a stable and well-administered society.
