RM21,000 from film premiere

IN conjunction with its eighth anniversary celebration, Tanjong Golden Village (TGV) Cinemas organised a Charlie's Angels 2 charity preview at TGV KLCC recently.

A total of RM21,000 was raised during the preview and it was given to the Women's Aid Organisation.

The organisation (WAO) provides shelter to over 100 women and their children and counsels more than 1,000 women over the telephone each year.

"This charity premiere, in a small way, lends a helping hand to those who are in need," said TGV general manager Chung Shyh Kwong.

Buena Vista Columbia Tristar general manager Anna Ng said they were confident that those who supported the charity event would not only feel good for helping out but also enjoyed a truly memorable evening.

WAO president Meera Samanther thanked the assistance given by TGV Cinemas, Buena Vista, Body Shop and AXN over ticket sales.

She also thanked the 3R girls, Azah, Yuen and Kartini, as well as Lina Tan and Datin Paduka Marina Mahathir who are the co-executive producers of 3R.

The evening was made more memorable with cool martial art moves by the 3R girls.
