Seks dan keganasan: Hiburan laris dan menyenangkan

Noor Azam

"In my opinion there are too many foreign films associated with sex and violence.

Isn't there any other kind of films? Everything is to do with sex and violence. Terminator this, terminator that, shootings, killings.

Years ago, there was no such thing as child hitting his mother, shooting his father or anything like that.

But today, we see these things happening here. And all these come from watching violent films.

When we talk of censorship, everyone starts making an issue about freedom. Freedom for what .... to kill someone?"

- Prime Minister Datuk Seri Dr Mahathir
