`Business Week' owes PM a public apology

Mohd Ghazali Osman

I AM most disgusted and concerned that Business Week has sent a threatening letter to Prime Minister Datuk Seri Dr Mahathir Mohamad should he refuse to be interviewed by them.

Who do they think they are? How dare they do such a thing?

They must be complete morons to even think that when they write such a letter to Dr Mahathir he will succumb to such a threat.

What is it that makes them think they are bigger than Malaysia? What gives them the right to want to blackmail Dr Mahathir just because he refuses to be interviewed by them?

If they don't call off the threat and publicly apologise to Dr Mahathir, then we should burn our copies of Business Week and call for it to be banned.
