Exactly what PM was saying

Jacob Zachariah

DATUK Seri Dr Mahathir Mohamad merely stated a fact at the recent OIC Summit that Jews rules the world by proxy. If it is not true, then why bother responding to it?

"The Simon Wiesenthal Centre is calling for a curb on tourism and business investment in Malaysia until the Malaysian political leaders show that they do not share Dr Mahathir's anti-Semitic animus."

This is exactly what Dr Mahathir was talking about: economic terrorism.
