Labourer acquitted of dadah charge

TELUK INTAN, Tues. - A magistrate's court today acquitted a labourer without calling for his defence on a charge of self-administering dadah.

Magistrate Mahathir Mohd Khairudin said the prosecution failed to establish a prima facie case against Kamarulzaman Sarim.

Kamarulzaman, 27, was alleged to have self-administered ganja, an offence under section 15 of the Dangerous Drugs Act 1952, at a car workshop in Simpang Tiga, Hutan Melintang at 11.20pm on Sept 7, last year.
