No leader in Pas to match likes of PM

Sharizan Arshad

PAS is at it again - doing the thing it knows best, ridiculing our Prime Minister. Their action, during the holy month of Ramadan in particular, is disgusting.

Pas must look at its leaders and ask if one among them matches the likes of Tun Dr Mahathir Mohamad or Datuk Seri Abdullah Ahmad Badawi. I certainly know of none.

While Pas leaders may claim to be knowledgeable in religion, this does not give them the right to ridicule others.
