Message from the executive chairman of M K Land Holdings Bhd, Tan Sri

WE are indeed fortunate to have our Prime Minister, Datuk Seri Dr Mahathir Mohamad, officially open the Langkawi Lagoon Resort as it is the brainchild of the Prime Minister.

Dr Mahathir was inspired by the name of the river that courses nearby - Sungai Melaka or Malacca River - and therefore suggested that the architecture of the resort should evoke the nostalgic look of the facade of the old shophouses in Malacca's Jonker Street.

Based on Datuk Seri's inspiration, we have tried to create the ambience of old Malacca not only in the architectural style of the resort but also in its landscaping and softscaping.

However, we have tried as much as possible to retain the natural beauty and serenity of Langkawi by blending the architecture of the resort into the natural surroundings and flora.

Therefore, the resort perfectly complements Langkawi's sparkling blue ocean and emerald green hills.

Langkawi Lagoon Resort is our third resort-based property after the hugely popular Bukit Merah Lake-town Resort and Taiping Resort.

The five-star Langkawi Lagoon is clear evidence of our maturity in resort management since our first venture into the resort business more than six years ago in 1997, starting with the Bukit Merah Laketown Resort.

Set on the west coast of this magical island, Langkawi Lagoon Resort is set to capture the hearts and imagination of visitors.

This exciting 57-acre resort offers a spectacular view of the sparkling blue ocean and emerald green hills of Langkawi Island.

Indeed, Langkawi Lagoon is the perfect place of those who cherish the opportunity to relax and luxuriate in an exclusive and luxurious ambience within an island setting.

Through the Langkawi Lagoon Resort, M K Land Holdings Bhd hopes to be able to contribute towards the development of the tourism industry of Malaysia.
