Mustapa glad Nik Aziz is grateful to PM

KUALA LUMPUR, Wed. - Kelantan Umno chairman Datuk Mustapa Mohamed said he was glad that Kelantan Menteri Besar Datuk Nik Aziz Nik Mat has finally realised Datuk Seri Dr Mahathir Mohamad's sacrifices and contributions to the nation.

"All this while Pas leaders have been telling their supporters to be grateful and thankful to Allah only and not to human beings. So this (Nik Aziz's acknowledgement) is a very positive development," he said in a statement.

Mustapa said he also appreciated Nik Aziz's statement in the State Assembly yesterday thanking Dr Mahathir for helping the State overcome its water supply problem as well as for other projects.
