Ntv7 to air special tribute to Dr Mahathir at 8 tonight

KUALA LUMPUR, Sat. - A special tribute to the nation's longest serving Prime Minister, Datuk Seri Dr Mahathir Mohamad, will be aired on ntv7 at 8pm tomorrow.

The programme will focus on his visionary leadership, contributions to the country and views on the world today.

It will also include excerpts from a recent exclusive interview on his views on terrorism, the challenges of globalisation, what lies ahead for Malaysia and his thoughts on the region in shaping the world of tomorrow.

The 30-minute episode will also feature Dr Mahathir commenting on issues pertaining to the youth of Malaysia and their role in preserving the nation's independence as well as religious and family values.

It encapsulates his 22 years as Prime Minister, from times of economic uncertainty to the celebration of information technology and the Multimedia Super Corridor.

These and other aspirations are lessons for Malaysians as the country progresses towards a developed nation status by 2020.

The episode will also mark the season's finale of Asia News Broadcasting's award-winning series Malaysia's Aspirations and Achievements.
