Praised for united support for world peace

KUALA LUMPUR, Sun. - Foreign Minister Datuk Seri Syed Hamid Albar today praised Malaysians for their united support for world peace.

"We are rallying for justice against the injustice and suffering faced by the people of Iraq and Palestine," said Syed Hamid, who is also the Malaysian Association of Youth Clubs (MAYC) president.

He said this after flagging off more than 2,000 MAYC members on motorcycles and buses in front of Wisma MAYC for the peace rally at National Stadium in Bukit Jalil today.

Syed Hamid said the Malaysians for Peace campaign was not only supported by one race or religion, but by everyone in this country.

"The non-governmental organisations have done a very good job, uniting Malaysians for one cause. It proves that our Prime Minister, Datuk Seri Dr Mahathir Mohamad, is not fighting alone," he said.

MAYC showed its support for the campaign with signatures from 125,000 members from all over the country.
