ROYAL APPROVAL: Sultan of Selangor Sultan Sharafuddin Idris Shah getting into a Lotus Elise 1800cc for a test-drive at the Perusahaan Otomobil Nasional Bhd (Proton) plant in Shah Alam yesterday. The Ruler, accompanied by Proton chief executive officer Tengku Tan Sri Mahaleel Tengku Ariff, spent half a day touring the plant where he viewed state-of-the-art facilities at its RM216 million research and development centre opened by Prime Minister Datuk Seri Dr Mahathir Mohamad in May 1999.
