PM presents certificates

IT was a memorable occasion for 43 participants of the Simex Mission to India when they received certificates of participation from Prime Minister Datuk Seri Dr Mahathir Mohamad at the Kelab Tasik Putrajaya on Aug 20.

Also present were Joint Organising Chairman and Deputy Primary Industries Minister Datuk Anifah Aman, President of Persatuan Pemotoron Malaysia Datuk Dr Mohd Mydin Mohd Musa and Indian High Commissioner to Malaysia Veena Sikri.

The pioneers had driven 15,000km through Thailand, Laos, China, Tibet, Nepal and India in a 35-day expedition from April 19 to May 24 last year, led by expedition leader Thomas Foo.

Arrangements are being made to air a video of the trek over national TV.
