`Kolam' tribute to Dr M

PAYING TRIBUTE: Terminal One shopping complex management staff Hardeep Kaur, 25, putting the finishing touches on a special kolam at the concourse of the Terminal One shopping complex in Seremban.

The kolam is unique as it pays tribute to Datuk Seri Dr Mahathir Mohamad's many achievements during his 22 years as the country's Prime Minister.

The beautifully decorated piece, made with grains of coloured rice, was designed by complex staff and unveiled during the state MIC's Deepavali Open House held there recently.

Menteri Besar Tan Sri Mohd Isa Abdul Samad and State MIC chief Datuk T. Rajagopalu did the honours by unveiling the kolam.
