Student union hails new PM

KUALA TERENGGANU, Sun. - The Federal Malay Students Union (GPMS) welcomed the appointment of the nation's fifth Prime Minister Datuk Seri Abdullah Ahmad Badawi, noting he served as the union's president from 1962 to 1964.

GPMS secretary-general Syed Anuar Syed Mohamad said the union had full confidence in the new leader's abilities and hoped he would give priority to improving education.

"A good education policy will enable Abdullah to continue working towards realising Tun Dr Mahathir Mohamad's vision of making Malaysia a developed nation by 2020," he said.
