Overseas clubs pledge unwavering support

MEMBERS from 44 Umno clubs overseas yesterday pledged unwavering support for Datuk Seri Abdullah Ahmad Badawi as the next Prime Minister and Umno president.

Its representative Jumiyati Ismail (picture), who is a member of the Umno club in Winston, said club members from six continents believed in Abdullah's capability to steer Malaysia to greater heights.

Jumiyati said that under Abdullah, the members believed that Umno would continue to bring more progress and development to the Malays and the Malaysians in general.

Expressing their gratitude to Prime Minister Datuk Seri Dr Mahathir Mohamad for what Malaysia is today, Jumiyati said no words could describe the feelings and appreciation of club members for his gargantuan contributions.

"We would like to thank Dr Mahathir for the peace and prosperity that enabled us to study abroad."
