Umno Clubs Alumni programme at assembly

KUALA LUMPUR, Wed. - The Overseas Umno Clubs Alumni will conduct programmes to tie in with the Umno general assembly next week.

Alumni deputy chairman Datuk Muhammad Rais Zainuddin said today it would hold a special programme for nearly 50 Malaysian students overseas who would be attending the Umno assembly.

"We are looking forward to the event, which will gather the chairmen of all Umno overseas clubs," he said.

"These students are invited as observers for the three-day assembly and we have arranged a host of programmes for them."

The students will also meet Umno president Datuk Seri Dr Mahathir Mohamad and other party leaders.

Overseas Umno Clubs Alumni is an association of all Umno clubs worldwide. It also bridges the gap between the clubs and their former members who have returned home.
