Way for progress

Nash Nasihin Ali

DATUK Seri Dr Mahathir Mohamad has dedicated 22 years to serving the country selflessly. His vision and sheer conviction has brought racial harmony and prosperity to our country.

Over 22 years, our country has been making great strides in improving the livelihood and well being of all Malaysians.

His courage in facing adversaries is not only admirable but also crucial in bringing progress to our country. He has paved the way for our country to continue taking even greater strides towards achieving vision 2020.
