Rotary gold medal for PM

KUALA LUMPUR, Fri. — Prime Minister Datuk Seri Dr Mahathir Mohamad was tonight awarded the gold medal for excellent leadership, economic growth and technological advancement at the Rotary Research Foundation's gold medals and fellowship awards presentation.

Dr Mahathir was accompanied by his wife Datin Seri Dr Siti Hasmah Mohd Ali at the ceremony held at the Equatorial Hotel.

The foundation also awarded the gold medal for culture and fine arts to dancer and choreographer Ramli Ibrahim while Prof Dr Mohamad Ali Hashim of University Malaya received the gold medal for engineering and technology.

In his speech, the Prime Minister said research was extremely important for progress and he commended the Rotary Club for awarding those involved in research.
