

and better than those of our enemies. This 7

of course is not easy, nevertheless, it has to be done and can be done.

7. We do not only cooperate effectively bilaterally, but we also cooperate, equally effectively, through ASEAN. You and I share the same faith and confidence in the Organisation. However bad some uninformed countries may think of the Organisation, nevertheless, to us which are its members, the Organisation has done us immense good, and we have every
