HUSSEIN ONN, KETIKA MENERIMA CEK

BESAR, NESTLE'S PRODUCTS (MALAYSIA)
BERHAD, PADA 26hb Mach, 1973, JAM:
10.00 pagi

It gives me very great pleasure in accepting this cheque for \$10,000 on behalf of the Schools' Sports Council of Malaysia. This is the eleventh year in succession that Nestle's Products (Malaysia) Berhad is sponsoring the Malaysian Schools' Badminton Championships. On behalf of the Schools' Sports Council of Malaysia and all State Schools' Sports Councils, I would like to thank Nestle's Products (Malaysia) Berhad for this very generous donation and for their staunch support in badminton in schools at state and national level.

It is gratifying to note that the champions and runners-up in the 1972 Malaysian Schools' Badminton Championships sponsored by Nestle participated in the 1972 National Under-21 Youth Badminton Championships and won both the singles and doubles titles. In addition to this, the Schools' Sports Council of Malaysia also won the first 1972 National Under-21 Inter-Team Badminton Championships. These successes by schoolboys in National Badminton Championships organised by the Badminton

Association of Malaysia, have, shown clearly that the Schools' Sports Councils can definitely play a leading and effective role in the promotion of badminton at state and national level. I would like to express

my sincere appreciation for the good work done by badminton coaches in helping to raise the standard of badminton in the schools.

Nestle's Products (Malaysia)

Berhad for their sponsorship of the gymnastic display by the Danish Gym Team in January this year and

Ministry of Information and Broadcasting for televising the display.

Nestlé's Products (Malaysia) Berhad and a few
other companies have shown in concrete
and practical ways their ^{interest} ~~support~~ in and
support of the activities of our schools. We
are indeed encouraged and grateful to them.
