*For
Olive Morris,
Jitendra Mohan,
and anti-racists
everywhere*

Dedicated to our people
of all walks of life and ethnic origins
who can tell –
black from white
wrong from right
freedom from oppression
democracy from dictatorship
justice from injustice
equality from inequality
courage from capitulationism
honesty from opportunism
consistency from duplicity
information from secrecy
national interest from vested interest
national policy from partisan policy
integration from assimilation
monoculturalism from multiculturalism
chauvinism from fraternalism
racism from anti-racism
rhetoric from the-real-thing
accountability from getting-away-with-murder
development from dependence
imperialism from self-determination
(big words from little ones)
solidarity from splittism
secularism from immorality
realism from idealism
extremists from moderates
immigrants from nationals
Trojan horses from Trojan donkeys
holy alliance from unholy Alliance
and above all,
truth and clarification
from
myths and mystification.
