Tribute to

Datuk Seri Dr Mahathir Mohamad

Prime Minister of Malaysia

On the occasion of the 45th year Reunion

Class of Forty-seven

'Forty Years On'

(Harrow Football Song)

*'Forty years on when afar and asunder
Parted are those who are singing today,
When you look back and forgetfully wonder
What you were like in your work and your play.'*

'Forty years on' was five years ago. Time flies !

Parted 'afar and asunder', the remnants of the Class of Forty-seven gather once again to sing the songs of Harrower Hall, and fondly recall the beginnings of many an enduring friendship and endearing partnership of life.

In 1947 seventy 'freshies' plunged into the academic melting pot of the King Edward Seventh College of Medicine, Singapore. At Heaven's command one man emerged to mount the pinnacle of national and global eminence. Of him we are justly proud.

When you look back and forgetfully wonder, 'What was he like at work and at play,' the Class of Forty-seven agree, 'He was as he is - friendly, soft-spoken, the same Mahathir, unassuming, unspoilt by fame and name.' To a faithful friend we say,

'As your days, so be your strength !'
