Embassy of Malaysia in Kyiv, Ukraine

September – December, 2016

## From the Embassy's Desk

### **Goodbye 2016, Hello 2017**

It is hard to believe that 2016 has ended and 2017 is here. The end of 2016 has brought a tremendous sense of accomplishment. From the official visit by H.E. Petro Poroshenko, President of Ukraine to Malaysia on 3-5 August 2016 to the Embassy's engagements with important actors in Ukraine namely the political leadership, civil society as well as the business community representatives.

In the many interactions with the Ukrainian side, the Embassy has been gratified and comforted to know that both sides share a common goal that is to strengthen cooperation between Malaysia and Ukraine, not only bilaterally but also in the multilateral context especially in addressing global challenges for the common good of our peoples.

The Embassy has high hopes that 2017 will be another remarkable year in Malaysia-Ukraine bilateral relations especially as we mark the 25th anniversary of the establishment of diplomatic relations between the two countries this year. There is definitely great potential to enhance cooperation

between Malaysia and Ukraine in fields namely trade and economic, defense and tourism given there are sound foundations to support such endeavors.

## Embassy's Activities

In the fourth quarter of 2016, the Embassy continued conducting outreach programmes in hope to bridge closer relations between Malaysia and Ukraine. In addition, the Embassy took part in the annual Charity Bazaar organised by the International Women's Club of Kyiv (IWCK) as part of our contribution to give back to the local society.

The Embassy also said goodbye to two of our valued member of staff, Ms. Haziyan Mohd Taha who ended her tour of duty in Kyiv and Mr. Andrey Kurasov who decided to venture into something new after 8 years of service with the Embassy of Malaysia.
