### Proton lancar Preve pasaran Chile

Proton Holdings Bhd (Proton) dan Andes Motor, sebuah anak syarikat Kaufmann Group, telah melancarkan Proton Preve untuk pasaran Chile.

Ketua Pegawai Eksekutif (CEO) Proton, Datuk Ahmad Fuaad Kenali berkata, Proton yakin akan dapat mencapai matlamat jualan di sana kerana ia memasuki pasaran Chile melalui Andes, sebuah syarikat terkemuka dalam pengedaran bas, kereta mewah dan trak.

"Kelebihan Andes sebagai rakan kongsi kami, ia memiliki rangkaian pengedaran yang luas dan menyediakan jualan serta perkhidmatan selepas jualan," katanya.

### Proton upbeat on re-entry into Chilean market

**KUALA LUMPUR:** Proton Holdings Bhd's Preve sedan has landed in Chile through Kaufmann Group's unit Andes Motor, and it may be followed suit by the Exora and Saga.

Proton chief executive officer (CEO) Datuk Ahmad Fuaad Kenali said the carmaker is optimistic of its re-entry into the Chilean market given the partnership with Andes Motor, the country's leading distributor of buses, trucks and luxury cars.

Andes Motor has a vast network providing sales and after-sales services, said Fuaad in a statement yesterday.

Andes Motor CEO Alexander Kohler A believes the partnership will strengthen both brands.

"The entry of Proton Preve represents a great start for both companies. We are excited to receive Pro-

ton as its last export to our country was in 1998.

"The Preve is one of Proton's more dynamic sedans which offers performance, comfort, styling, build quality and convenience with a five-star rated safety standard," said Kohler in the statement.

He added that the company is looking forward to the arrival of the Exora and Saga in the near future.

Preve comes in three variants, namely the standard, executive and premium.

The standard and executive variants come with 107 horsepower, ISO newton metres and a five-speed manual gearbox. The premium variant has the turbo-charged engine with a seven-speed continuously variable transmission Protronics mode that can go from 0-100km in

*Proton Holdings Bhd launching the Preve in Chile. Proton is re-entering the Chilean market through its partnership with Andes Motor, the country's leading distributor of buses, trucks and luxury cars.*

## Proton Preve officially launched in Chile – 3 variants

We already know that Proton is making a comeback in Chile with the Preve. Now, the C-segment sedan has been officially launched in the South American country by Andes Motor, a subsidiary of the Kaufmann Group.

Three variants of the left-hand drive Preve will be available in Chile – Standard, Executive and Premium

The Std and Exec are powered by a 1.6 litre Campro IAFM+ engine with 107 hp and 150 Nm, paired to a five-speed manual gearbox. The Premium gets the Campro CFE turbocharged motor with 138 hp and 205 Nm, mated to a CVT transmission with seven virtual ratios. The "Lotus DNA" in the Preve's driving dynamics is obvious, Andes and Proton claim.

"With Andes Motor, Chile's leading distributor of buses, trucks and luxury cars, coupled with its vast dealer network providing sales and after sales services as our partner, we are optimistic that our re-entry into the Chilean market will be successful," said Datuk Ahmad Fuaad Kenali, the new CEO of Proton.

"We are excited to receive Proton cars back in the Chilean market as its last export to our country was back in 1998. We believe this partnership will further strengthen both brands, paving the way for Andes Motor to enter the passenger car market enabling Proton to tap into a huge market potential. The entry of the Proton Preve represents a great start for both companies," said Jorge Greene Diaz, general manager of Andes Motors.

"The Preve is one of Proton's more dynamic sedans offering a complete product which offers performance, comfort, styling, build quality and convenience with a five-star rated safety standard. In addition, we are also looking forward to the arrival of Proton Exora and Proton Saga in Chile in the near future," Diaz added.

It was previously reported that Proton had planned its reentry to the market since a free trade agreement was signed between Malaysia and Chile in February 2012, granting the company a 6% exemption in import duty. The Malaysian carmaker shipped 50 units of the Preve to San Antonio in March, the first batch of the 1,000 units it hopes to sell in Chile this year.

## PROTON PREVE OFFICIALLY ENTERS CHILE!

Proton began exporting left-hand drive samples of the Preve in [March](#), and the company's C-segment sedan has officially landed in Chile.

Andes Motor, the official importer of Proton models in Chile is offering three variants of the Preve. The standard and executive trims of the Preve is powered by a 1.6-litre four-cylinder petrol engine that produces 107 hp and 150 Nm, mated to a five-speed manual gearbox. The premium variant gets its power for a 1.6-litre turbocharged four-cylinder petrol engine that pushes out 138 hp and 205 Nm, mated exclusively to a Punch CVT.

Chief Executive Officer of Andes Motors, Alexander Kohler A, said, "We are excited to receive Proton cars back in the Chilean market as its last export to our country was back in 1998. We believe this partnership will further strengthen both brands, paving the way for Andes Motor to enter the passenger car market enabling PROTON to tap into a huge market potential. The entry of the Proton Prevé represents a great start for both companies."

"The Prevé is one of Proton's more dynamic sedans offering a complete product which offers performance, comfort, styling, build quality and convenience with a 5 star rated safety standard. In addition, we are also looking forward to the arrival of Proton Exora and Proton Saga in Chile in the near future," added Alexander Kohler.

"With Andes Motor, Chile's leading distributor of buses, trucks and luxury cars, coupled with its vast dealer network providing sales and after sales services as our partner, we are optimistic that our re-entry into the Chilean market will be successful," said Dato' Ahmad Fuaad Kenali, Chief Executive Officer of PROTON.

The Proton Prevé is offered with a manufacturer warranty of 5 years or 150,000 kilometers (whichever comes first)

# Ditahan miliki pasport palsu Malaysia

Oleh **KASTHURI JEEVENDRAN**

pengarang@utusan.com.my

**KUALA LUMPUR 15 Jun** - Seorang lelaki yang belum dikenal pasti warganegaraanya ditahan di Lapangan Terbang Quito, Ecuador baru-baru ini kerana menggunakan pasport palsu Malaysia.

Suspek tersebut, Satnam Minhas diberkas pihak berkuasa setelah berkunjung ke Quito selama dua hari dan mahu berlepas ke Mexico.

Duta Malaysia ke Chile, Datuk Dr. Mohammad Rameez Yahaya ketika dihubungi *Utusan Malaysia* hari ini berkata, ketika ditahan, Minhas mengakui dirinya warganegara Malaysia yang memiliki pasport serta kad pengenalan beralamat di Taman Gopeng, Ipoh, Perak.

Menurutnya, Konsul Kehormat Malaysia ke Ecuador, Dr. Marco

Tulio Cordero telah membantu memberi maklumat berkaitan suspek kepada Kedutaan Besar Malaysia di Santiago.

“Apa yang peliknya, apabila wakil kita menghubungi suspek yang kita sangka benar-benar rakyat Malaysia, beliau terkejut apabila mendapati suspek merupakan warga asing yang tidak boleh langsung bertutur dalam bahasa Melayu.

“Kita juga mendapati Minhas tidak mempunyai apa-apa kaitan dengan Malaysia kecuali menggunakan dokumen perjalanan palsu.

“Apabila disemak dengan Jabatan Pendaftaran Negara (JPN), nama serta nombor kad pengenalan itu sebenarnya tidak wujud.

**MOHAMMAD RAMEEZ**

Saya juga berasa sangat pelik bagaimana dia boleh berkunjung ke Mexico dan Chile sebelum ini menggunakan pasport Malaysia,” kata Mohammad Rameez.

Menurut beliau, pihaknya masih lagi menunggu laporan penuh siasatan berhubung dokumen per-

jalanan palsu itu memandangkan insiden seperti itu amat jarang berlaku, apatah lagi membabitkan pengenalan palsu rakyat Malaysia.

Minhas ketika ini masih ditahan oleh pihak berkuasa di Ecuador sehingga tarikh hari perbicaraan dan boleh dijatuhi hukuman penjara antara lima hingga tujuh tahun di Ecuador jika sabit kesalahan.

### TM to expand Latin America operations, says Malaysian envoy

11th November, 2015

KUALA LUMPUR: Telekom Malaysia Bhd <sup>TM</sup> is expanding its presence in Latin America to tap into a potential enterprise and wholesale market of 600 million people in the region, says the Malaysian envoy to Chile Datuk Dr Mohammad Rameez Yahaya.

He said TM is now working with the Malaysian embassy in Santiago, Chile for its penetration initiative to reach out to Malaysian and ASEAN multinational companies operating in the region.

"Chile is among the most business-friendly markets in Latin America and therefore attractive to foreign direct investment (FDI) from ASEAN countries," he told Bernama here on Tuesday.

Mohammad Rameez said the telecommunications and Internet service provider is also looking into expanding their internet service network in the region.

"We are also looking at opportunities from Latin America into the United States and other parts of the world through strategic partnerships with local incumbent telecommunications companies," he said. -Bernama

### Malaysian Embassy In Chile Hosts Iftar Reception

KUALA LUMPUR, June 18 (Bernama) -- The Malaysian Embassy in Santiago, Chile on Friday hosted a breaking-fast reception (iftar) which also gathered the Malaysian Technical Cooperation Programme

(MCTP) alumni from Chile.

Presided over by ambassador Datuk Dr Mohamad Rameez Yahaya, the event also saw the presence of envoys from Muslim countries such as Algeria, Egypt, Iran, Iraq, Kuwait, Palestine, Libya, Kuwait and Jordan, as well as Malaysians residing in Santiago.

In a statement, the embassy said those in attendance enjoyed popular Malaysian dishes like nasi lemak, bubur lambuk, rendang ayam, sambal udang, mee kari as well as teh tarik and sirap bandung.

"Other than the breaking of fast, about 20 MCTP alumni present were also given a talk by the Malaysian ambassador on the subject of Ramadan and its importance in Islam," it said.

More than 90 Chileans had attended courses and programmes in various fields in Malaysia under the MTCP initiative.

On the sidelines of the event, several members of the newly-established Chilean-Malaysian Business Council and Mohamad Rameez discussed efforts to boost bilateral trade and investment between the two countries.

An imam from the Mesquita As Salam, the biggest mosque in Santiago, assisted the embassy in collecting the religious tithe payments (zakat fitrah).

The envoy had also attended an iftar dinner hosted by Chilean President Michelle Bachelet at the La Moneda presidential palace.

### Malaysian Businesses Told To Tap Chile Market

KUALA LUMPUR, June 28 (Bernama) -- Malaysian businesses need to seek good opportunities and potential in the Chilean market as Chile is among the most developed

nations in Latin America, said Malaysian Ambassador to Chile Datuk Dr Mohamad Rameez Yahaya.

In a recent ASEAN expo to promote Malaysian tourism products to the Chileans, Mohamad Rameez said apart from offering attractive and affordable tourism packages, the medical and education tourism sectors also have a huge potential to be marketed in Chile.

"It is hoped that through this expo, more Chileans, with the assistance and advice of Chilean travel operators on places and logistics, will come and visit Malaysia," he said in a statement.....
