

Consulate General of Malaysia in Xi'an, People's Republic of China

ISSUE NO. 1 / 2017

MESSAGE FROM THE CONSUL GENERAL

Greetings fellow Malaysians and friends in Shaanxi Province, Gansu Province and Ningxia Hui Autonomous Region!

Malaysia and the People's Republic of China share strong bilateral ties in the past several years and it is reflected by the upgrading of the relations to a comprehensive strategic partnership in 2013. Malaysia and the above three Northwestern Chinese Provinces also share a long standing cooperation in various sectors.

The establishment of the Consulate General in Xi'an was a direct outcome of the successful visit of the Hon. Prime

Minister of Malaysia to Shaanxi in 2014. We are very pleased that after two years of strong effort, and with the support of the Chinese central government and Shaanxi provincial government, we have established the mission on 17 October 2016.

The opening of the Consulate General is indeed timely as we enhance our cooperation with the three provinces in various aspects, in particular trade and investment, halal certification, education, science and technology, agriculture, tourism and people-to-people contact.

At the same time, we are also here to provide our services and assistance to fellow Malaysians who are residing in *ShanGanNing* (Shaanxi, Gansu and Ningxia). We are honoured to be at your service. I also hope that fellow Malaysians would be able to exchange views and assist each other in whatever way that we could. I am sure in your own capacities, you are also assisting the country in promoting greater cooperation between the two countries through exchanges at various levels.

The new *Yang di-Pertuan Agong* (King) of Malaysia, Sultan Muhammad V, took his oath of office on 13 December 2016 in a simple yet highly symbolic ceremony at the *Istana Negara* (National Palace).

Also in attendance were the Conference of Rulers or their representatives, i.e. the Sultans and the *Yang di-Pertua Negeri* (rulers) of the other states in Malaysia. The ceremony itself was chaired by the Sultan of Selangor, Sultan Sharafuddin Idris Shah.

Malaysia practices a constitutional monarchy system, with the post of the *Yang di-Pertuan Agong* rotated among the nine Sultans in Malaysia. The decision of which of the nine will be the *Yang di-Pertuan Agong* is made by the Conference of Rulers, taking into account a number of factors including the principle of geographical rotation.

Once appointed, the *Yang di-Pertuan Agong* presides over all federal ceremonies involving the monarchy, and is resides at the National Palace in Kuala Lumpur. In his own home state, a regent will be appointed to oversee state ceremonial matters.

Sultan Muhammad V becomes the 15th *Yang di-Pertuan Agong* of Malaysia, corresponding with 60 years of Malaysia's independence. The last time a Sultan of Kelantan was the *Yang di-Pertuan Agong* was in 1975, in the form of Sultan Muhammad V's grandfather.

The Sultan of Perak, Sultan Nazrin Muizzuddin Shah (pix below), was officially appointed as the Deputy *Yang di-Pertuan Agong* at the same ceremony.

All Malaysian Ambassadors will henceforth receive their credentials from Sultan Muhammad V.

2050 NATIONAL TRANSFORMATION

The 2050 National Transformation or *Transformasi Nasional* (TN50) is a new 30-year transformation plan for Malaysia. It is a new vision for Malaysia, announced by the Prime Minister of Malaysia during the 2017 Budget. TN50 aims to transform Malaysia into a nation of caliber with a new mindset. TN50 will span three decades, and the youths of all races will form the core of this new transformation plan.

On 19 January 2017, the Malaysian Prime Minister, Dato' Sri Mohd Najib Tun Razak, launched the first series of national discourse to chart the nation's direction on a new canvas as the 2050 National Transformation with some 500 youth leaders at Dewan Tunku Canselor, University Malaya. The general goal for TN50 is for Malaysia to become a top 20 country in the world by the year 2050.

In the run up to the unveiling of TN50 in 2019, there will be a series of discussions on what the Malaysian identity should be by 2050 – in terms of how Malaysians view themselves as diverse Malaysians.

The Ministry of Youth and Sports is tasked to collect views from youths in the first few months of this year, before moving on to other groups. The year 2017 will be spent collecting views from public with 2018 the year for the Government to have more focused discussions with experts to see whether the views and suggestions are realistic. Near the end of the next year or early 2019, the Government will form a policy document on TN50 to be announced by the Prime Minister.

"Let TN50 bear witness; (let it) be recorded in history that we are responsible citizens and forefathers, to leave behind the best and the greatest legacy to be inherited by future generations. "From now on, TN50 is our lucky charm. Let the old legacy pass. The future of Malaysia, we will recreate," - Prime Minister of Malaysia, Dato' Sri Mohd Najib Tun Abdul Razak, 21 October 2016.

TN50 will be the roadmap, after Vision 2020 that will transform the country's economy, citizen well-being, environment, technology, social interaction, governance and public administration.
