Foreword by
His Excellency Dato' Seri Zahrain Mohamed Hashim
Ambassador of Malaysia to the Republic of Indonesia

Salam Sejahtera dan Salam lMalaysia

Malaysia and Indonesia has a comprehensive and multifaceted cooperation. Since 1957, the relationship grows from strength to strength, encountered trial and tribulation but managed a smooth sailing then. All of this could not be achieved if the pioneer leaders and diplomats did not have a prescient and strong dedication to see the relationship between the two countries expanding. This year is so wonderful and significant for marking the 60th Anniversary of diplomatic relationships. I do hope Malaysia and Indonesia will be an even closer neighbour and friends and work together for the benefit of the two countries and its people beyond the 60 years mark from now.

YAB Dato' Sri Mohd Najib Tun Abdul Razak, Prime Minister led the Malaysian delegation to the Indian Ocean Rim Association (IORA) meeting held in Jakarta from March 5 to 7. The meeting themed "Strengthening Maritime Cooperation for Peaceful, Stable and Prosperous Indian Ocean" marks the 20th anniversary of IORA since it was officially established in 1997.

2050 : National Transformation

The 2050 National Transformation or Transformasi Nasional (TN50) is a new 30-year transformation plan for Malaysia. It is a new vision for Malaysia, announced by the Prime Minister of Malaysia during the 2017 Budget. TN50 aims to transform Malaysia into a nation of caliber with a new mindset. TN50 will span three decades, and the youths of all races will form the core of this new transformation plan. On 19 January 2017, the Malaysian Prime Minister, Dato' Sri Mohd Najib Tun Razak, launched the first series of national discourse to chart the nation's direction on a new canvas as the 2050 National Transformation with some 500 youth leaders at Dewan Tunku Canselor, University Malaya. The general goal for TN50 is for Malaysia to become a top 20 country in the world by the year 2050.
