

**Just who is racist, Dr Mahathir?**

I refer to the Malaysiakini article 'DAP 'racist politics' now infect S'wak, says Mahathir'.

Dr Mahathir has said in not so many words that only a racist will accuse him of being racist ... Whatever does that mean? You are a Malay supremacist of Indian ancestry in a racially-based party called Umno.

And so that makes you a confused supremacist racist. You are definitely a curious case for any anthropologist. I don't take you seriously because all you have is bitterness and hate in your heart which is going to be between you and your Maker.

But I do fear you poisoning Malaysia with your type of thinking. All Malaysians just need to learn to ignore your old ways. I'm proud of anybody whether they are Chinese, Malay or Indian for voting against BN and voting for change.

These are true Malaysians seeking change so that we can join the rest of the civil world and not be held down by your third world mentality and your groupies from BN-Perkasa.
