Selangor PKR Wanita today lodged a report with the Malaysian Anti-Corruption Commission (MACC) on alleged asset siphoning in Yayasan Selangor between 1991 and 2008.

Its executive committee member Salmah Ismail said the report made against Yayasan Selangor involved assets valued at RM594 million and 50 condominiums belonging to the foundation.

Salmah was seen entering the Selangor MACC office in Shah Alam with an assistant at about 10am and left half an hour later.

When met by reporters later, Salmah said the report was a follow-up on the disclosure by the Ampang MP Zuraida Kamaruddin on Wednesday through a news website owned by the Selangor State Government alleging the siphoning by the previous state government.
