PAS maintains there will be a high turnout of its members for the July 9 Bersih rally despite warnings and threats of impending chaos by various organisations.

PAS deputy president Mohamad Sabu pledged that its members will behave well and be orderly.

“There has been orders issued by PAS president (Hadi Awang), mursyidul am (Nik Aziz Nik Mat) and Ulama chief (Harun Taib) for members to come down and we will turn out.

“Our members will behave well and be orderly as with past demonstrations. If they don't behave then police can take action on them. We will not protect or defend them,” he vouchesafed.

The fierce orator, who arrived late following having his statement recorded at Gombak IPD over what he said in the muktamar, said PAS is merely supporting Bersih for its calls for a free and fair elections.

Asked what they would do if Bersih decides to call off the rally, Mohamad said it is entirely up to them as they are independent.

“However, we will decide on what to do next (when this happens),” he said.

Mohamad pledged that the numbers will come out. He said he cannot put an estimate but gave an assurance that the gathering will be peaceful.

“I want the police to seriously look at claims made by the a organisation on 'bathing blood' if Bersih continue. Such words are seditious and unnecessary,” he said.
