

PM leaves HKL after successful knee surgery
Malaysiakini.com
August 3, 2011

Prime Minister Najib Abdul Razak was today allowed to leave Kuala Lumpur Hospital where he had undergone surgery of the left knee which he had injured in a sports event.

Najib, who was accompanied by his wife Rosmah Mansor, left the hospital at about 12.30pm.

On Monday, the prime minister had undergone successful arthroscopic surgery of the knee.
