

**Chua Soi Lek takes Chinese for political idiots**  
**Malaysiakini.com**  
**August 8, 2011**

The Bernama report titled 'Soi Lek: DAP pitting Chinese against Chinese' insults my intelligence and those who are able to identify politicians who dish out pure rubbish.

Let me decipher the report that quoted the MCA president Chua Soi Lek.

Chua said: "There is no way to create a 'small China' in Malaysia as it is not good for the country."

Whoever voiced that intention, the DAP? We, the Chinese? No, it is the same type of morons like Utusan Malaysia, that once said Christians are trying to install a Christian prime minister.

After more than half a century of Merdeka, it is clear that there is no way for any other race to be the prime minister of Malaysia other than the Malays.

The federal constitution almost ensures this because the appointment of the PM must be endorsed by the Agong. This is unlikely to happen, unless suddenly all Malaysians are united and think only as Malaysians, not as members of any race.

As it is, even our deputy prime minister Muhyiddin Yassin has said that he is Malay first, Malaysian second. The joke is even Prime Minister Najib Abdul Razak is not prepared to say he is Malaysian first, Malay second to defend his meaningless slogan, 1Malaysia.

**Chua, you are the idiot, not the Chinese.**

Chua said: "MCA accepted the fact that Malaysia was a multiracial country and that what it wanted to see was moderation, not just tolerance but also acceptance of the fact that this was a multiracial country."

Yeah! Please tell Umno, Utusan Malaysia and Perkasa to stop the racial and seditious slurs aimed at creating racial disharmony first. If you believe what you say, why have you not transformed MCA into a multi-racial party?

BN-Umno is the champion of ketuanan Melayu and you, Chua and MCA, are part of that too when you condone and support it. Please go and tell Umno and Perkasa to be more tolerant and stop the racial and seditious slurs.

The ketuanan Melayu people are doing a disservice to Malaysians and the country that we love. They are destroying our future, with support from MCA and Chua.

Chua lamented the DAP's strategy in adopting a 'Chinese fighting against Chinese' clash towards MCA in winning the hearts and minds of the people.

So is Chua telling us to discard democracy and the right of the people to speak and choose?

It is because of such people as those in the MCA, Gerakan, MIC and other non-Malay BN parties that Malaysians are in the present political cesspool. They do not contribute constructively, but merely kiss the feet of Umno warlords and hope for the crumbs they get in return to slowly, but never, turn to gold.

And there is this quote in the article I cannot stomach: "So, DAP has to combine with other parties dependent on the support of other races. In this case, they chose PAS and Parti Keadilan Rakyat (PKR), so whatever DAP's promises to the community if they come into power will be diluted because the other component parties would have to look after the interest of other races."

Is Chua talking about the scenario of MCA in BN? Either he thinks we Malaysians are idiots or he is the

idiot. Chua, go and take a look in a mirror.

Soi Lek said BN is not perfect but Prime Minister Najib Tun Razak was trying his best to transform the country's economy and that recently told Sabahans that they should support this initiative.

If Najib can't even say he is Malaysian first to defend his 1Malaysia, how do we expect him to deliver? Surely the IQ of Malaysians cannot be that low.
