Two other potential witnesses for the sodomy trial were interviewed by Anwar Ibrahim's lawyers today.

They are his bodyguard Mokhtar Mustafa and his driver Abdullah Sani Said.

They were interviewed for an hour by lawyers Karpal Singh and Sankara Nair.

Anwar was also present during the interview.

Karpal Singh said there will be two other witnesses tomorrow to be interviewed, namely condo owner Hasanuddin Abd Hamid and Noor Sham Abdul Hamid.

"There is no indication when we will get to interview Premier Najib Abdul Razak and his wife Rosmah Mansor.

"The court has given a week for the prosecution to provide the witnesses sought by the defence before Anwar's defence starts. So will wait and see," he said.
