Selangor PKR Youth will hold a rally on Monday to urge Menteri Besar Khalid Ibrahim to take over the operations of state water concessionaire Syarikat Bekalan Air Selangor Sdn Bhd (Syabas).

"We rise today on the realisation that Syabas... has failed to provide good management (over water resources) and service to the people of Selangor.

"In this respect PKR Youth will hand a memorandum to protest Syabas's water rationing exercise as excessive, and urge the state government take over the operations of Syabas," said Selangor PKR Youth chief Azmizam Zaman Huri.

Azmizam in a statement today said their aim is to pressure the water concessionaire to surrender its operations to the state, and to stop "playing games" that give hardship to the people, particularly in this holy month of Ramadan.

He urged Selangorians to join their 'Protesting Syabas' Failure' on Monday at 12pm, outside Wisma Rozali in Shah Alam Section 13.

Wisma Rozali is the headquarters of Syabas' holding company Puncak Niaga Puncak Niaga Holdings Berhad, whose executive chairperson is Rozali Ismail.
