Why have former cabinet ministers been given top posts in government-linked companies and institutions?

Raising this today, Opposition Leader Anwar Ibrahim questioned in particular the posts assigned to former tourism minister Ng Yen Yen and former information minister Rais Yatim.

Ng has been made the chairperson of the Malaysia Tourism Board, while Rais is now president of Universiti Islam Antarabangsa.

"The prime minister needs to explain how many more ministers have been appointed (to posts like these)," Anwar told a press conference in the Parliament lobby.
