PKR has today denied a report which appeared in the New Straits Times today on the Selangor menteri besar issue, saying all communication with the palace is done directly and formally by letter.

An NST report today, citing sources, claimed that PKR sent feelers to the palace on the issue of the Selangor MB, where the paper claimed that Azmin's (right) name was favoured.

“All formal communications with the palace is made directly by the PKR leaders through letter. The discussion among Pakatan parties is made through formal meetings,” said PKR secretary-general Saifuddin Nasution Ismail in a statement today.

Saifuddin reminded that PKR continues to cooperate and maintain good and harmonious relations with all media and hoped the NST will be more professional and responsible with its reporting.
