Once again, Prime Minister Najib Abdul Razak has made it clear that he will not step down despite calls for him to do so.

Speaking to a crowd of more than 10,000 at a rally held at Stadium Perpaduan in Kuching this morning, he warned his detractors not to underestimate him and that the blood of warriors courses through his veins.

"I will work harder. The blood in me is not (just) any blood.

"Sometimes I might look very diplomatic. But I have warrior spirit," he was quoted as saying by Star Online.

Najib also promised to resolve the issues surrounding 1MDB as soon as possible.

"On 1MDB, we will solve it soon, and all other problems. My heart is with you Sarawak, we see what problems we can solve together," he said.

The prime minister also took a swipe at his chief critic Dr Mahathir Mohamad.

Najib reiterated how he had supported the former premier when he came under attack during his tenure.

"When there are no problems, everyone supports. Right? It's easy. But when there are bits of problems, I believe the problems can be solved.

"During the other PM's (Mahathir) era, there were lots of problems too. Bigger problems sometimes.

"But I strongly supported him for 22 years. I was very loyal (and) because of leaders like me, he stayed on for 22 years.

"This is my era as prime minister. I will not step down because of one person," he said.
