Umno president Najib Abdul Razak today reminded all Umno members attending the divisional delegates meetings to be united in determining the direction the party was heading for.

The prime minister said every party member had an important role to play in determining the direction for the survival of the party's struggles.

"To everyone who will participate in the party's divisional delegates' conference beginning today, remember that by uniting we will remain strong, but if we are divided we will collapse.

"Good luck in your meeting," said Najib via his Facebook website, today.

The Umno divisional delegates' conferences respectively are scheduled to begin today until Sept 15 at all the 191 divisions nationwide.
