

Covid-19 (March 14): 1,354 new cases, KL reports lowest figure since Dec 3

Malaysiakini

14 March 2021

COVID-19 | The Health Ministry reported 1,354 new cases of Covid-19 today and four deaths.

Kuala Lumpur reported 55 cases today, the lowest since Dec 3 (49).

Selangor, meanwhile, reported 577 new cases.

Perlis also reported no news cases after a two-day spike caused by infections linked to an immigration detention centre cluster.

- Active cases: 16,279
- Patients in ICUs: 158
- Intubated: 71

Deaths

The latest fatalities bring the national death toll to 1,210.

Three of the deaths were from the Klang Valley, while one was from Sarawak.

One of the casualties was a 27-year-old who suffered from leukaemia and transverse myelitis.

Details of the victims are on Malaysiakini's Covid-19 tracker page.

Clusters

There were three new clusters today.

No clusters reported triple-digit cases, with the highest being the Tembok Tapah cluster with 57 cases.
