The rakyat should 'forget' opposition figures like Dr Mahathir Mohamad, Anwar Ibrahim, and Muhyiddin Yassin, as only Umno/BN politicians are capable of developing the country.

So said Umno supreme council member Shamsul Anuar Nasarah, who claimed that the trio mentioned above is the core reason for the political uncertainty in the country.

"I urge Malaysians to forget Mahathir, Anwar, and Muhyiddin. They are the reason for the political uncertainty in the country.

"For some of us, these are the names that we grew up with. That's why we should forget them for the sake of political reform," Shamsul was quoted saying by Umno Online.

According to him, although Umno is an "old" party, it would field new faces in the political arena, as pledged by its president Ahmad Zahid Hamidi, so that the

country can move on into the new era.

"For the country to move forward, there must be a good government. For that, Umno/BN are a perfect choice."

BN/Umno offer progress

Shamsul, who is also BN communications chief, said the Umno/BN's ability to bring about stability has been witnessed in the economic developments experienced by Malacca and Johor, after the states' respective elections, where BN won.

"God willing, Malacca climbed up to the fifth spot from the ninth place in terms of foreign investment, and Johor is now number one when it was previously number five.

"That is the evidence that BN can bring about progress, not only to Umno members but to all Malaysians, regardless of their background. I hope when the time comes, the rakyat will give the mandate to Umno/BN," Shamsul said.

According to Shamsul, BN/Umno has to win the 15th general election, so that it can fix the wrongs committed by the Pakatan Harapan administration, to restore

the people's, and investors' trust.

"As mentioned by BN chairperson (Zahid), we want to put Umno/BN back into power because we want to take Malaysia to the next level.

"This including serving 'justice' to all the races, especially those in Sabah and Sarawak, and fixing the wrongs committed by Harapan when they ruled for 22 months," he said.
