Gerakan Tanah Air (GTA) pro-tem chairperson Dr Mahathir Mohamad will meet Muafakat Nasional (MN) president Annuar Musa next week to discuss the direction the NGO should take.

MN supreme council member Khairuddin Abu Hassan said the meeting was arranged on the understanding that MN was set up based on the same fundamentals as GTA, in an effort to strengthen unity among the Malays.

“Mahathir feels it is important to sit together and work towards this,” he told reporters after the “Muafakat Demi Negara” dialogue session at the Kelantan Poverty Foundation Complex in Melor yesterday.

Among those who attended the dialogue were State Islamic Development, Dakwah, Information and Regional Relations Committee chairperson Mohd Nassuruddin Daud and independent preacher Mohd Ridhuan Tee Abdullah.
