I refer to the letter Apology demanded from racist minister.

I seriously think that Prime Minister Abdullah Ahmad Badawi should look into the disparaging and racist statements made by the Minister for Science, Technology and Innovation, Jamaludin Jarjis, when he was in California recently.

Apparently, Jamaludin made certain racist remarks about Indians being 'buruh kasar' and that light-skinned Indians as members of the higher class compared to dark-skinned ones.

If Jamaludin had made these remarks, then Abdullah should sack him from the cabinet. Will Abdullah have the guts to do this?
