A 'Job Placement' programme will be held at Sekolah Kebangsaan Bukit Beruntung, Hulu Selangor, from noon until 5pm tomorrow.

The programme, organised by the Selangor Manpower Department, is to provide job seekers, especially in Selangor, to meet potential employers and obtain information on employment opportunities, the press secretary to the Human Resource Minister, E Sivabalan said in a statement today.

He said the programme was in line with the government's aspiration to reduce unemployment and provide more job opportunities for locals.

"The Indian community, especially youths seeking for jobs, should attend the programme," he added.

Sivabalan said the programme would be held in conjunction with the "Meet the Clients' Day" of departments and agencies under the Human Resources Ministry.

Human Resource Minister Dr S Subramaniam will close the programme at 2.30pm tomorrow.
