Selangor Menteri Besar Abdul Khalid today said the report claiming that 15 members of parliament from PKR want him to give up his post was merely speculation.

"I have not received anything from the group concerned, so it can be merely speculation," he told reporters after presenting land titles to residents in Kampung Sungai Yu, Kuala Selangor.

A media report stated that the PKR MPs wanted Abdul Khalid to withdraw and relinquish his post as the Selangor menteri besar.

It is learnt that the group would submit their proposal to the PKR leadership at a gathering of the party in Shah Alam during the weekend.

Asked for his reaction if he were to get the letter from the group calling for his withdrawal, Abdul Khalid said: "I will accept the letter and read it."
