Selangor Umno will hold a roadshow next week to clarify on the lies being spread by the Pakatan Rakyat government in the state.

"We perceive whatever problems transpiring within the PKR as their drama. We don't have to intervene so that we don't get trapped in their tactics.

"What is important is that we must explain to the rakyat that the developments transpired purely to draw the attention of the people to the PKR, so that they won't forget the PKR.

"This is because the people are beginning to forget them as they could not fulfill their promises to the people and bring development to Selangor," he told reporters in Tanjong Karang today.

Noh, who is also the Agriculture and Agro-based Industry Minister, said this after the opening of the delegates meeting of the Tanjong Karang Umno division by Information Communication and Culture Minister Rais Yatim.

He also reminded Selangor Umno that they should not be complacent and perceive the crisis developing in the PKR as a bonus to Umno in winning back the hearts of the people of Selangor.

On June 27, Azmin, who is also the Member of Parliament for Gombak, was announced as the Selangor PKR chairman, replacing Khalid with immediate effect. The announcement was made by PKR president Dr Wan Azizah Wan Ismail after the PKR Central Leadership Council meeting in Shah Alam, Selangor.
