'Are there no other leaders from Umno that they have to use former PKR members such as Ezam Mohd Nor and Lokman Adam to spearhead the 'Save Selangor' campaign?'

Ezam: 'I am not a prostitute'

TKC: Ezam Mohd Nor and his puppet masters must be tearing their hairs out wondering why Selangor has not fallen apart after being ruled by Pakatan Rakyat for about two years.

In fact, things are much better than before - roads are getting paved more often, traffic lights break down less frequently, ugly billboards were removed, water is free for those who don't consume a lot, less harassment of hawkers and night spots, etc - in addition to more accountability, transparency, competency and certainly less corruption.

If Pakatan can achieve so much in Selangor (and Penang) in two years - despite all the harassment and sabotages by BN - can we imagine what it would be like if we give them the job at Putrajaya?

BN is beyond redemption because instead of focussing on how they can make our economy better, they harp on inconsequential matters such as sand holes and pro-Jew Anwar Ibrahim.

Ferd Tan: Are there no other leaders from Umno that they have to use former PKR members such as Ezam Mohd Nor and Lokman Adam to spearhead the 'Save Selangor' campaign?

As usual, Ezam with his ineffective, overused lines of verbal attacks on Anwar Ibrahim sounds like an old irritating record playing. It has been proven in so many of the by-elections that this line of negative 'attacks' was not working and it shows that Umno has no clue as to how to regain Selangor.

Allan Kong Sin Foong: Is this how you will improve the lot of the rakyat? By talking rot? You don't even know that you may even have insulted the Umnoputras. You are just a pussy cat trying to roar like a lion. Anwar towers way, way above you in stature. Simply put, you are just ikan bilis.

X-Umno: For Umno, there is nothing to dig anymore in Selangor, so now they are screaming. Ezam, the rakyat knows that Selangor must be saved only from hypocrites like you.

AkuMelayu: Carry on Ezam. Stripped them naked. All 'true Melayu' are behind you. Melayu who are concerned with their children's future. Melayu who are not easily bought with "sweets" laced with poison offered by Pakatan, which is being dictated by the DAP. We will go to the GE13 with our heads held high.

Anonymous: Ezam, you can deny and keep on denying. You know the reason why you want to join Umno. God also know, and you can't hide from God. Here on earth you are protected by your political masters. But you can't escape God's punishment. That will be eternal punishment and that you cannot escape.

Fear God, Ezam, before it is too late. Repent.

Interested Bystander: "He ended his speech calling on the people to defend Selangor's wealth from being 'gutted' by 'people who are unprincipled, gluttonous and who are politically ambitious'." Ah, so is he opposed to Umno?

Geronimo: What? Only 500 people turned up for the event? And that in a predominantly Malay area, too. Why doesn't Ezam do his stuff in Petaling Jaya for a change? I wonder whether he would be using the same tone about Anwar as when he was in Port Klang. He would get a load of rotten eggs and tomatoes

thrown at him.

This fellow is nothing more than a coward and an opportunist, and to think he and his ilk are going to re-take Selangor and manage it?

Alice Mary Anthony Muthu: This fellow Ezam is too obsessed with Anwar. He is a political chameleon with mere rhetoric with little substance. The joke about the boxes of corruption documents still rings in my mind.

SKS: Ezam, please don't disgrace prostitutes. They only sell their bodies to make a living, but you Umno guys sell the whole country. We should create a new word for this.

Secondly, please try to bring up some relevant issues when you have ceramahs. With all the hooaaa you guys do, I thought 5,000 people would attend, but you can only get 500 people to attend.

More than half of those attended also would have been Umno members, and it would be the same crowd in the next ceramah. I'm very sad for you guys.

Steven For Malaysia: Some prostitutes still have their dignity. They are forced into the trade to feed their family members. Don't blind your eyes to the bigger corruption of your Umnoputra masters.

Pakatan must work doubly hard to counter the false allegation of these idiots, as the kampong folks might be misled.

One Malaysian: My dear brother-in-Islam Ezam, why all this anger, vengeance and racial fanaticism? I am a Muslim/Mu'min (believer) who considers all mankind equal, as we all are the children of Adam and Eve. It is no use condemning brother Anwar, PKR/Pakatan.

Just be a Mu'min and follow Al-Quran and Hadith and all our non-Muslim brothers and sisters will be very pleased with us. Stop being a racist as this forbidden in Islam. No religion teaches us to be evil in our deeds and actions.

Let us lead by example for the good of Malaysia. Our future generations need to be protected and let us together work towards that, God-willing.
