Menteri Besar Nik Abdul Aziz Nik Mat has described as embarrassing the actions of a group of demonstrators who threw human faeces into the compound of the Malaysian embassy in Jakarta and smeared faeces on the Malaysian flag on Monday.

Nik Aziz, who is PAS spiritual leader, said as neighbours, Malaysia and Indonesia could resolve issues in an appropriate manner.

"This is embarrassing; first because we are neighbours, and also because we are of the same race and religion. Why it has to go to that extent?" he told reporters after giving his Friday sermon in Kota Bharu today.

Earlier he was interviewed by Indonesia's TV One.

Nik Aziz was asked to comment on the actions of a group of demonstrators in Jakarta who threw human faeces into the mission's compound and others stomped on the Malaysian flag and smeared it with faeces.

Prime Minister Najib Abdul Razak had also expressed disappointment over the incident.

Nik Aziz said the demonstrators should not have resorted to doing what they had done because both governments would be able find solution to problems that arose between both countries.

"I pray to Allah to restore the good relations between both countries," he said.
