Penang Umno Liaison secretary Azhar Ibrahim wants the Pakatan Rakyat (PR) to prove their allegation that Umno was distributing photographs of Chief Minister Lim Guan Eng slaughtering a cattle at one function.

NONEAzhar, who is also the Penang opposition leader, said that he did not know about the photograph published by a local newspaper and pointed out that such practice was not Umno's way of seeking popularity.

"Making accusations is not our (Umno's) way, if it's true that Umno was behind the photograph, then show proof. Diverting the people's attention to other issues to cover up our own mistake is also not the work of Umno, this is the Pakatan's work," he said in Kepala Batas today.

He said this to reporters after a function at the Dewan Seri Endon, Pusat Budi Penyayang, when asked to comment on the allegation by the opposition that Umno had distributed the picture of Lim slaughtering a cattle which was perceived to be showing disrespect to religious sensitivity.
