Umno president Najib Abdul Razak has given his assurance that all views and suggestions raised by Umno's Wanita, Youth and Puteri Wings at their respective general assemblies today would be studied in detailed first before being pursued further.

"There is a possibility of overlapping views at Umno's main general assembly (which begins tomorrow)," he told reporters after chairing a meeting of Umno's Supreme Council (MT) in Kuala Lumpur tonight.

Also present at the meeting was Umno deputy president Muhyiddin Yassin.

He said the MT meeting today also received reports from MT members covering today's assemblies that they went smoothly and in a good atmosphere.

"The deputy president's speech when simultaneously opening the three assemblies was well received and so too the opening addresses of the leaders of the three wings," he said.

Asked about his advice to the delegates tomorrow, Najib said: "That will be tomorrow. That is, if I have any advice for them."
