Kelantan BN chief Mustapha Mohamad today gave his assurance that government officers and NGOs will be helping the coalition win the upcoming Galas state by-

election.

"The entire BN machinery will be mobilised - we have the party, we have the youth and women's wings. We also have government officers, and we have NGOs."

"They will be utilised to help ensure that we win Galas," said Mustapha (*right*).

He said this when giving his address during the ceremony to announce the BN candidate for the state seat at the coalition's operations centre in Bukit Cekati today.

Deputy Prime Minister Muhyiddin Yassin declared Gua Musang Umno division secretary and Southern Kelantan Development Board office manager Abdul Aziz Yusof as Umno's candidate for the Nov 4 by-election.

Speaking after Mustapa, Galas elections director and Gua Musang Umno chief Tengku Razaleigh Hamzah (*left*) said the people of Galas must ensure that BN wins in order to repay the coalition's efforts in bringing into the constituency much-needed development.

Razaleigh was referring to the award of RM180 million and government land to build the People's Housing Project (PPR) in Taman Manis near Gua Musang announced by Muhyiddin this morning.

"BN does not come empty-handed - they come bearing gifts of land," said Ku Li.

"We (people of Galas) are treated in a special way - we were given land, (so) we must repay them as they are special as well," urged the former finance minister.

He said that because of BN's gifts, Galas must return the favour by giving the coalition a win in Galas.

Mustapa had earlier said BN will refrain from promising "instant" projects during the campaign for the Galas.
